STUDENT CONTRACT

Dear Fifth Grade Parents and Guardians,

This year, the fifth-grade team has planned many fun activities. Seeing that this is their last year in elementary school, we would like to make it special. However, we need your help and support to make this possible.

The following activities have been planned as a reward for your child's hard work, stellar behavior, and cooperation throughout the school year. Unfortunately, not all students meet these criteria. If your child receives a pink slip, they will be removed from an activity. The removal from these extracurricular activities will serve as the consequence for their actions. **If the activity which the student is being excluded from has been paid, NO REFUND will be issued.** We would greatly appreciate your cooperation in working with us in trying to take corrective measures to eliminate these problems.

Upcoming Activities	
Field Trips	Fifth Grade End-of-Year Celebration
Bar-B-Q	Classroom Celebrations

Please read the possible areas of concern below:
